Ingredients

- 2 tablespoons plain Greek yogurt
- 1 tablespoon olive oil
- 1 teaspoon mustard (any kind you like)
- 1/2 teaspoon salt
- 1 celery stalk, chopped
- 4 large eggs, hard-cooked and peeled

Directions

1. Put the yogurt, olive oil, mustard, herbs, and salt in the bowl and mix well.
2. Add the celery and mix well.
3. Cut the eggs in half lengthwise and then cut them back and forth a few more times (they don't need to be evenly cut and they don't need to be cut into tiny pieces).
4. Add the eggs to the bowl and, using the fork or spoon, mix well. Now taste the egg salad. Does it need a pinch more salt? If so, add it and taste again.
